Classical Limestone Fireplace with Floral Design

SKU: 95062
Product Categories: All Products, Fireplaces

Product Description

A floral diamond center design w/ tiered legs and mantle. You can see the temporal change in the stone, around the edges and along the flat sides. Set in the historical Neoclassical theme, the simple strong straight lines are a classical motif. Meant to embrace the inspiration from the "classical" arts of Ancient Greece or Rome, this elegant mix of elementary foundation lines & delicate detail is a true Neoclassicist
